## WITHDRAWAL OF CAUTIONARY ANNOUNCEMENT

On 16 September 2013 Subtropico Limited announced that it had entered into negotiations to make an acquisition which, if successfully concluded, were likely to have a significant impact on the value of Subtropico shares. Shareholders were therefore advised to exercise caution in dealing with their shares.

Subtropico is pleased to announce that it concluded an Agreement to-day to acquire Wenpro's fruit and vegetable business on the Johannesburg Fresh Produce Market. Wenpro has a large share of this business on the Johannesburg market. The acquisition should increase Subtropico's future earnings significantly.
